

## **BARD COLLEGE**

### **NOTICE:**

#### **Students Convicted of Possession or Sale of Drugs**

A federal or state drug conviction can disqualify a student for Federal Student Aid funds. Convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving Title IV aid. Any conviction that was reversed, set aside, or removed from the student's record does not count, nor does one received when the student was a juvenile, unless tried as an adult.

A student regains eligibility the day after the period of ineligibility ends or when the student successfully completes a qualified drug rehabilitation program. Further drug convictions could make a student ineligible again.

For further information on the periods of ineligibility, type of offense and number of offenses as they pertain to this regulation, please contact the Office of Financial Aid.
