

## **Schedule of Sabbaticals Fall 2016–Spring 2029** for Tenured and Tenure-track Faculty

Date Effective: July 2018

### **Legend:**

- ( ) Indicates semester sabbatical scheduled but not taken; new count for next sabbatical is retroactive to date shown
  
- Jr Indicates Junior sabbatical; assumes that Junior sabbatical is taken in first semester of eligibility; following semester or non-taking of a Junior sabbatical are also options
  
- <sup>A</sup> Category A appointment, sabbatical may be taken in Fall or following Spring.
- <sup>B</sup> Category B appointment, sabbatical may be taken in Fall or following Spring.

### **Notes:**

- Includes all potential sabbaticals assuming successful reappointments and tenure
- Does not anticipate retirements
- Takes into account stopping of clock where appropriate

### **Clarification of Junior sabbaticals and timing of sabbaticals in general:**

- Junior sabbatical—Faculty hired in Category A or B are eligible to apply for and be granted a Junior sabbatical upon rehiring for a second contract. Sabbatical is taken in either the fall or spring semester of the year following the renewal of contract. A plan for the sabbatical constitutes the application. It is granted by the President. The new sabbatical clock (10 semesters) begins in the semester following the Junior sabbatical.
- Faculty hired in Category A who choose not to take a Junior sabbatical are granted a sabbatical in their 13th semester, should they be granted tenure, or receive a terminal semester sabbatical in their last semester (14th) under contract. A second sabbatical for those granted tenure occurs in the 22nd semester of employment.
- Faculty hired in Category B who choose not to take a Junior sabbatical are granted a sabbatical in their 11th semester should they be granted tenure, or receive a terminal semester sabbatical in their last semester (12th) under contract. A second sabbatical for those granted tenure occurs in the 22nd semester of employment.
- Faculty hired in Category C are subject to a tenure decision in their third year. If granted tenure, the first and second sabbaticals occur in the 11th and 22nd semesters of employment. If not granted tenure, no sabbatical is forthcoming.
