Two of three education courses:

Education 512 Identity, Culture, and the Classroom

Education 513 Historical and Social Contexts of Teaching and Learning

Education 514 Issues in Teaching and Learning

August 27 – September 30, 2009

Biology 536 Teaching Practicum I (phase 1)

Fall Quarter: October 5 – December 18, 2009

Biology 522 I/II Topics in Biology: Parasitology, Physiology, and Public Health

Biology 516 Biology Education: Teaching/Lab Strand

Education 522 Learning and Teaching in the Disciplines: Biology, History, Literature, Math

Education 524 Language, Literacy, and the Adolescent Learner

January Research Cycle and Workshops: January 4–29, 2010

Winter Quarter: February 1 – March 12, 2010

Education 532 Teaching as Reflective Practice I

Biology 536 Teaching Practicum I (phase 2)

Biology 518 Classroom Research Project

Biology 532 Academic Research Project

Spring Quarter: March 15 – June 4, 2010

Biology 546 Teaching Practicum II

Biology 518 Classroom Research Project

Biology 532 Academic Research Project

Education 542 Teaching as Reflective Practice II

Sample Calendar

Two-Year Program Option (2009–11)

YEAR ONE

Orientation: June 2–5, 2009 or an optional weekend version May 15–17, 2009

Education 502 Schooling in the 21st Century: A Learner Perspective

Summer Quarter: June 8 – August 21, 2009

Biology 512 I/II Evolution in Communities

Fall Quarter: October 5 – December 18, 2009

Education 522 Learning and Teaching in the Disciplines: Biology, History, Literature, Math

Education 524 Language, Literacy, and the Adolescent Learner

Winter and Spring Quarters: January 1 – June 4, 2010

Biology 532 Academic Research Project

YEAR TWO

Summer Quarter: June 7 – August 20, 2010

Biology 513 Teaching Science: The Learner as Individual, A Field Experience

Biology 516 Biology Education: Teaching/Lab Strand

Biology 522 I/II Topics in Biology: Parasitology, Physiology, and Public Health

Fall Quarter: October 4 – December 17, 2010

Education 512 Identity, Culture, and the Classroom

Education 513 Historical and Social Contexts of Teaching and Learning

Biology 516 Biology Education: Teaching/Lab Strand

Winter Quarter: January 3 – March 11, 2011

Biology 518 Classroom Research Project

Biology 536 Teaching Practicum I

Education 532 Teaching as Reflective Practice I

Spring Quarter: March 14 – June 1, 2011

Biology 518 Classroom Research Project

Biology 546 Teaching Practicum II

Education 542 Teaching as Reflective Practice II
