

Spring Safety Tips – Bard Nursery School and Children’s Center

Door Safety: Teachers and Parents **ONLY** open doors at school.

Please practice door safety, and do not allow children to open doors or gates at school.

Always **hold hands** in the parking lot

Please **WALK** on the side walks

(Running is for the playground)

Dress for the weather. Please bring sun hats for sunny days. We also are currently collecting sun screen and permission to apply sunscreen forms. (Teachers must have permission to apply topical ointment). It is best if parents apply first thing each day and we can reapply in the afternoon.
