

MAKING FOOD BETTER

What Difference Can Bard Make?

Hudson Valley Food + Policy Workshop Keynote
March 12, 2015 7:30-9pm RKC 103 at Bard College

Michael Rozyne

Executive Director, Red Tomato

Public discussion on challenges to building a local, sustainable food economy and that role that young people can plan in changing the future of agriculture.

Red Tomato, connects farmers and consumers through a passionate belief that a family-farm, locally based, ecological, fair trade food system is the way to a better tomato.
