Dean Tewksbury Elect 3 Seniors Makes Statement To Bard Chapter Before Vacation Phi Beta Kappa

Hawkes and Mestre Head College Next Semester While Dean is Abroad

Dean Tewksbury makes the following announcement which appeared in the 24th edition of the Bardian from the editor of the Tewksbury.

This year will be the third year of the bard program and the fourth year of my association with the College. The progress made during these years has been significant. Many of the ideals set for the original conception of a recognized college have been realized. The educational aims and standards of the college have been strengthened and developed under the administration of Mr. Tewksbury. Adequate resources can be credited; there is no limit to the contributions that the students have achieved under the Bard program. I would like to express my appreciation to the students and faculty for their contributions to the success of the College during my tenure.

To Travel Abroad

Donald G. Tewksbury, who will be attending the University of California at Berkeley, will be spending the summer traveling in England and France. In June he will be the guest of President Jackson, a friend of his parents in Shanghai. He will return to the college in the fall.

The Dean and Mrs. Tewksbury have written to all of the sons and daughters of the alumni asking them to come to the rear end of the lake. The College is planning a dinner to be held at the College on Saturday, June 5th.

G. Lambert Wins First Dacathlon

Barnett, Second; Cubley Third

On Thursday evening Coach Akerman, in an exclusive interview with a BARDIAN reporter, unaccountably revealed the high score of a student named G. Lambert. The revelation came as a surprise to the students who had been expecting a triumph by other students. 

A PICTURE OF THE WORLD

The arts and the sciences are both necessary for each other. The arts of each and the sciences of each are interdependent. Without the arts of each, the sciences could not exist. Without the sciences of each, the arts could not exist.

37 Pan-Hellenician Shorts Season Of Frat. Rushing

Fall Bids Will Be Issued Every Monday, November 24; Good For 39 Days

Lions Pan-Hellenic Council will consist of John Meehan, Stetson and Richard Meehan of Kappa Gamma Chi, and Robert Eisen and John Perrott of Sigma Alpha Epsilon.

The fall season of the Pan-Hellenic Council have been revived and, instead of presenting the fall period which was tried during the past year, the Pan-Hellenic will present three fall periods each year, starting the Monday before the Thanksgiving holiday and ending on or about the middle of January.

Society Rallies

Bids will be invited to new members at the rally on Sunday, November 22.

The Pan-Hellenic Council will be able to invite students to bid from 9:00 to 9:30 P.M. on Monday, November 22.

(Continued on page six)

Staff Announcement

The appointment of Walter H. Harris, Archibald H. Head, and Milton B. Smith, has been announced by Professor M. Smith for the 1937-38 season.

Liberal Education

Professor M. Smith has stated that "the arts and the sciences are both necessary for each other. The arts of each and the sciences of each are interdependent. Without the arts of each, the sciences could not exist. Without the sciences of each, the arts could not exist."

End College Year With Graduation Of 21 Seniors

Alumni and Trustees Meet During Morning Commencement At 2

With the graduation of the Class of 1937 today, the College will officially close the school year. The commencement ceremonies, which will begin at two o'clock in the afternoon will be the last in a series of events scheduled for the day.

At ten o'clock the Alumni of the College will meet in Bard Hall. At eleven an organ recital will be held in the chapel. Mr. Eliseo Dan, winner of the Phi Beta Kappa key, will act as accompanist with his viola.

During the same hour, the Board of Trustees will hold its meeting.

A buffet luncheon will be given by the College in the Dining Hall. The Trustees and their guests will return to the College at three o'clock.

At two the commencement exercises will begin. The President's address will be delivered before the students and faculty present. The reception at 4 o'clock will follow.

The final event of the day will be the Honorable William A. Aldrich Smith, Ph. D., LL.D., President of Hobart College.

Clubs On Campus

Elect Officers for Next Year

Dragon Club, Science and Societies

Announce New Stafs

Donald Platt and Henry Kettler were elected President and Secretary-Treasurer of the Dragon Club.

At a special meeting after the Thursday night meeting, the Club decided not to elect new members. Mr. Platt said this decision had been arrived at after studying their criteria and finding them up to the standards set by the organization.

Present membership includes: Donald Platt, President; Henry Kettler, Vice-President; Frederick Schaefer, Secretary-Treasurer.

The Ottawa Club, the men's branch of the atronomy club, has announced the Scholarship Committee of the graduating class.

Shrinkage of Endowment and Investment Returns Subject for Study

NEW YORK—(AP) Alarmed at the shrinkage of the endowment and investments of higher learning institutions, George F. Zook, President of the American Council on Education, has asked Dr. Zook to conduct a "serious investigation" of the problem.

A recent study made by Dr. Zook showed that even well-endowed institutions were facing a "very serious" situation and that only "a very small" percentage of their endowment was earning a "good" return.

1. DEPRESSION LOSS

Applying this measure to all endowment and investment returns in the United States, it was found that the depression loss to colleges and universities amounted to 2.5 per cent, or $2.5 billion, of all endowment funds in 1934-35.

2. "More important than what happened in 1934-35, is the implication of the depression loss," said Dr. Zook. "The threat of a repeat of the depression is such that, in the current economic climate, it is imperative that every college and university study carefully the effect of the depression on the institution."
The School Year Ahead

Forthwith from my mind is the wish to invade the columns right now. My intent is to speak in general terms, and, as a matter of fact, it is probable that I shall not be able to even suggest that I could duplicate the wide range of topics which I usually deal with. I think I don't pretend to be a critic of the educational system of the University of Oregon, but I shall try to make some remarks which I think are of interest to the student body. If my article has done some service, it has been to point out to you the necessity for understanding the past and the present, and for not being content with mediocrity. The future is always there, and it is up to us to make the most of it.

The Academic Year

The academic year begins on September 19. The fall semester will be concluded on December 13, and the winter semester will begin on January 13 and end on March 29. The spring semester will begin on April 7 and end on June 6. The summer session will be held from June 9 to July 24.

Baseball League

Won by Juniors

Seniors Score Three Runs In Final Inning To Down Faculty

In a game marked with a total of twenty-nine hits in the presence of a large crowd of highly-spirited spectators, the Seniors reaped the benefits of a strong attack. The Margies were put out to the last three batters. The game ended with a final score of 3-0 in favor of the Seniors.

With the victory, the Seniors now have a record of 7-2-2 for the season. The game was played on a beautiful spring day, with the sun shining bright and the crowds enjoying the game.

21 Varsity Letters Will Be Awarded

June 4—The varsity of the "B" participation in the Spring season will be awarded to the athletic department for their participation in this event. The list of varsity awards is as follows:

Baseball—Captain Scott, Bob Priece, Billy Unbringer, Jim Mauger, and Harry Knibbs.

Basketball—Captain Bob Briner, Bill Unbringer, Don Woodruff, and Bud Keiler.

Football—Captain Bob Blizer, Bill Unbringer, Don Woodruff, and Bud Keiler.

The criteria for awarding varsity letters is based on athletic performance and contribution to the team. Only those players who have participated in at least one game will be considered for varsity status.

The quality of the officiating at the game was generally acceptable, with the exception of some calls made by the referees. The game was played on a beautiful spring day, with the sun shining bright and the crowds enjoying the game.

Jim Mauger

Jim Mauger, a basketball player in his Sophomore year and for the past two years he has been in the class of baseball manager. He also de- served a good deal of time to serve but never earned a letter in this sport.

Bart Chappell turned out for "Bart" County in the Freshman year, winning his letter with ease. He was a great disappointment when he was forced to retire on account of injury.

TP Thomas has managed the baseball team for the past two years and is, as the case with many other baseball players, a key to the team. He is an experienced pitcher and has been successful in leading his team to victory.

The game was won as Interscholar Banner. The boys have rarely failed to put a spirited team into the fray. Almost every man of the team has participated in one form or sport or another and it is complete recognition of these virtues that the Sports Day of the School will be held in the presence of the Senior Class, the Sophomore, freshmen, and the Bards.

This column harmoniously congratulates Bob Priece, Bill Unbringer, and Bart Chappell for having shown the highest degree of success in their respective fields. These baseball players have proven to be the best in their class and have shown great promise for the future.

Some colleges have Spring football teams, some continue tennis practice into May, while others are busy with track and field, and not to be left behind, baseball, which is a popular sport this year. Of course, the players have persisted in shirking while the baseball team was in action. They, however, announced, we extend a choice bouquet of poison ivy and asparagus sprouts performed with lemon juice.

The quality of the officiating at the game was generally acceptable, with the exception of some calls made by the referees. The game was played on a beautiful spring day, with the sun shining bright and the crowds enjoying the game.

End College Year With Graduation
(Continued from page one)

The Senior Class
The twenty members of the senior class who are candidates for the degree of Bachelor of Arts are as follows:

The Monitor: Dean Mulhall, Alfred Brewer, president of the class; Clifford Burgess, secretary-treasurer; barley, Chapman; Ellis Del, P. B. K.; John Decker; William Dell, P. B. K.; Edward Grandin; Robert Haskell, vice-president; Richard Jacoby; Seymour Liebermann, Harold Nicholas; Wilberforce Rand; Richard Rivers; Russell Scott; Frederick Smither, P. B. K.; Robert Stollman; John Singer; Theodore Smyth; and Arthur Thomas.

Clubs On Campus
Elect Officers
(Continued from page one)

Platt: Henry Kricher; Jacob Crenner, all of the Junior Class; and John Coburn, of the Sophomore Class.

SCIENCE CLUB
John Harris was unanimously re-elected President of the Science Club for next semester at a special meeting held in the Faculty Recreation Room, Monday, May 11. His excellent service in the club’s behalf during his Presidency this term resulted in his re-election without dissent.

The remaining offices went to Robert Brown, Vice-President; Andrew Swift, Secretary; and Walter Wachszter, Treasurer. The activities of the Club for this term were concluded several weeks ago by a lecture by Dr. Felix Hecht of Columbia. Dr. Hecht wound up a series of interesting speakers who, as guests of the Science Club, delivered talks to the college throughout the past semester.

SOCiETIES
The non-society group elected Jacob Crenner Chairman for the next school year replacing Louis Leibowitz, ’36-F. Clinton Jones was chosen as Secretary to the non-society Standing Committee, Roger Mowrer, Junior, and Peter Hobbs, Sophomore. Peter-Paul Muller is the Student Council Representative.

The Greek-letter fraternities also elected new officers for the coming semester: Kappa Gamma, Chi, and Tau Delta Phi. Chi elected Bruno Barry as President, Robert Feick as Vice-President and Donald Bursley as Treasurer. Sigma Alpha Epsilon elected H. Wallace Weter for President and Lee Burch for Vice-President. The Eastern Student Headed its new Executive Staff with John Honey at the Presidency.

To Bard Chapter
Phi Beta Kappa
(Continued from page one)

It is therefore essential that a college such as Bard, which seems to be a liberal arts college in the true sense of the word, work to retain and cultivate this sense of the social perspective in the student. The student goes to this and other colleges not so much to become a technician or expert engineer, but rather to discover what kind of world he lives in — he must see a picture of the world.

Book on College Slang
So that listeners with foreign ears can understand college slurs, Dean Lasor has alphabetized campus definitions and with the help of Felix Bauman, a German student, who recently toured the 48 states collecting typical phrases, has made a dictionary. Definitions taken at random:

And now no soil . . .
both herschirn . . .
