H. Holt Scores For Red and White On Free Kick

By JOHNNY SMITH

H. P. ’s soccer team scored a cramped Bard eleven by a 4-1 score on Alumni Field Saturday, October ninth.

Placing without the services of Ray Plueger, veteran goal tender, and Walt Mensher, the team’s regular left halfback, the Red and White held the Engineers to a single score in the first half and then built up a 4-0 lead in the second 45 minutes.

Only one goal was scored in the first 20 minutes, when the Red and White kicked a free kick from 15 yards out. Only five minutes later, H. P. ’s Bryan Montague scored on a free kick from 25 yards out. The Red and White had a chance to score on a penalty kick in the last two minutes of the first half, when the Red and White were awarded a free kick from the left side of the field. However, the Red and White were unable to convert.

In the second half, the Red and White continued to dominate, scoring three goals to increase their lead to 4-0. The first goal came on a free kick from the left side of the field, followed by a goal on a penalty kick from the right side of the field. The third goal came on a penalty kick from the left side of the field.

The Red and White were awarded a free kick from the left side of the field, which was taken by Bryan Montague. Montague’s shot was deflected by the goalkeeper, but the Red and White were able to follow up and score.

The Bard-Trinity series is now
all tied up at 3-2. In 1934 the Red
White and Blue took the score of 3-2-
1, 14 and 22 and the Blue and
White triumphed 3-1 and 3-0
respectively.

On Saturday the Bard eleven
traveled to Clinton, New York, in an
attempt to square a few accounts
with Hamilton College. Every year
since the Red and White was
trounced 8-1 in 1924 scores the
margin of defeat has decreased. In
1928 the score was 3-0, in 1929 it
was 3-5, and according to Coach
Ackerman, "It's going to be all our
way this year. I would rather win
this game than any other on the
schedule."
