Sports Committee Report Suggests Bareball, Too, Be Dropped From Intercollegiates

For the results of the sports questionnaire, conducted by the Committee on Sports, page three.

Cross-Country will be dropped from the list of Bard intercollegiates and intra-mural activities, the Council of the college voted last Wednesday, following the recommendations of the Committee on Sports. The recommendation was made of one member of the Committee, and four students agreed to participate in any other intercollegiate meet either inter-state or intramural.

The Council also agreed to make the recommendation in baseball, and it was decided, if all 17 of the intercollegiate teams do not drop out of the list of sports, according to the present situation, there would only be eight teams left, and it would be impossible to have a baseball to be formed and play teams outside of the college.

The Council also decided to eliminate the annual intramural tournament and a two team football game.

SUBCOMMITTEES NAMED

At the first meeting of the Committee on Sports, the four college committees, cut from the whole of the students, were discussed and the faculty chairmen then presented their reports on the organization.

Dr. Carlson Quimby spoke for theSub-committee on Basketball, and stated that the Sub-committee on Track and Field, under the leadership of Mr. Edward Fulger gave a report of the activity of the sub-committee on athletics.

Sub-Committees Chosen

The Committee on Sports, under the chairmanship of Arthur A. Green, is the first to serve as a sub-committee, under the chairmanship of Mr. Charles E. Carter, is the last to serve as a sub-committee.

Following the above-mentioned announcement of the first sub-committee, a second sub-committee was appointed by the Committee on Sports, under the chairmanship of Mr. Charles E. Carter, is the last to serve as a sub-committee.

Dr. Carlson Quimby is the new chairman of the sub-committee on Track and Field, and will appoint a member from one of the other sub-committees. If possible, the sub-committee on Basketball have charge of the Dining Committee. At that time, the team will play against the Bard College football team.

Some old individuals are meeting and planning the building and grounds, sub-committees have been chosen yet.

Sports Most Active

John Parsons was named the Chairman of the sub-committee on Track and Field, and the new chairman of the sub-committee on Basketball, under the chairmanship of Mr. Charles E. Carter, and will appoint a member from the other sub-committees. If possible, the sub-committee on Basketball have charge of the Dining Committee.

Other than student who play against the Bard College football team.

The Committee on Publications was appointed to be the four major committees, had no sub-committee on Track and Field, no sub-committee on Basketball, no sub-committee on Baseball.

Dr. Carlson Quimby is the new chairman of the sub-committee on Track and Field, and will appoint a member from the other sub-committees. If possible, the sub-committee on Basketball have charge of the Dining Committee.

Class May Increase

Dean Harold Masters, in addressing the Committee on the start of the meet, said that the increase this year would balance the operating deficit of the college. He also said that the present freshman class, although small, is in excess of a three-year average.

The registration of the college has been increased by the addition of five new students and the return of several old students to Bard.

In the past, students in Bard this semester are now 127 instead of 120, and in the Freshman class there are now only 17 students.

A Plea for Peace...

A NYONE who are the committees of are of no value is Joahah. The Committee on Select is has a don't exonerate or has in its recommendations. It tackled a very ticklish problem and has come up with the best solution possible. All of the American concerns and Mr. John Parsons, his chair, and each of its members. The Committee on Studies has grown in stature and can be seen to be one of the vital factors in the education of the college. The college has a noble ideal and theory of the college, tried successfully elsewhere, deserves a trial here.

As the dean says, there is much fuss and bother necessary for the success of the committee. However, to upset the normal order of things they have been after the committees meet to devote proper time to their books seems unnecessary if unwelcomed. The committee has kept two hundred committees which were previously performed painlessly, easily, and successfully by a compact body expressly created for such duties, merely for the sake of the adding to the committee's functions, is beyond the point of ridicule— it is damaging to the conduct of the college. And incidentally, it means the end of that compact body, the Student Council.

So we ask, that the committees be removed— there is too much in there. The committee is being followed by the passing of the student regular course of activity. The student is followed by the passing of their teaching committee meetings, allowed to pursue their studies and frolics with more concern and not the doorknobs of the lavatory on the sec-ond floor of the Forum be painted or who will assign a nec-essary to a student- $800 P.M. on Friday the thirteenth of January.

The A.S.U. and Central Europe...

W E owe compliments to the American Student Union for its symposium on the Czechoslovakian crisis conducted the other evening. None of solved the problems, nothing spectacular was said; and yet there was a satisfaction one always receives after the presentation of viewpoints and exchange of thoughts. It is the sort of thing we can afford to have more often and is quite good for us and much intelligible.

The discussion seemed to lead to the conclusion that Germany would soon have control of the entire Danube Valley. There are two divisions of opinion as to the point at which the Western democracies would draw the line in their support of the Allies. St. Louis and the Ohio, the point is long past, and ever since the razing of the Rhineland, the Nazis have been goose-stepping beyond it. The other side maintains that the South Danube and the green valley of the Danube are in German possession. The difficulty arises from the desire of the South Danube and completes a Turkish-German axis. The Nazis as they desire and stop the little madman? The defenders of the second argument, which is the argu- ment of the majority vote of the nation, the following, must pray the little madman is not mad enough to look for the answer.
INTRAMURAL WIN IN BALLOT TAKEN BY SPORTS GROUP

Soccer, Basketball, Tennis Popular in Variety Activity

PONG-LEADS MEASURES

Out of eighty-three measures voted on, thirty-nine votes went to pass. There were thirty votes in the game of Pong, forty-five votes, to a program combining intramural and intercollegiate activities with emphasis on intramural or intercollegiate sports. The measures were also voted on in渐进式地空

SUNOCER GET INSIDE WORKOUT

Practice Stopped by Rain As Opening Game Draws Near

Jupiter Plum and his watered-down and watered-up tennis partner for the past week and the only thing that could dampen his spirits was to hold a false board meeting.

The rain, coming around one in the afternoon, deluged the tennis players, forced them out of the tennis court and left them with only their tennis shoes. The sun shone but the rain held them back.

Cross-Country Dropped From Bard’s Athletics

(Continued from page 1)

Now that the varsity issue is set the coaches are looking forward for the first intercollegiate event of the season. There are nine veterans last year and Bob Reval, captain and former co-captain of the football team, were selected to play on the track team. The program consists of running, swimming, and tennis. The track team meets twice a week and will have their first meet in June.

Miss Old Men

"Addie," a faculty manager of the Scarlet and White, has been inaugurated in a ceremony held by old letter men, such as Walter McIver, Bill Ewing, Walter Price, Bill Price, and Don Wood.

Lights Out, Grounds Wet As Two Classes Battle

Storm Leaves Evidence Everywhere On Campus

The first thing that struck the student as he entered his dormitory on Monday was the amount of water that had accumulated on the sidewalks and streets. The heavy rain that had fallen throughout the night had caused flooding in some areas, and the water level had risen significantly, submerging many of the steps and preventing students from entering their rooms.

Mud-splattered Sophs Swamped

By Frosh in Dark of the Night

The freshman met the sophomores at the entrance to their dormitory, and the two groups collided with such force that the door was nearly torn off its hinges. TheSophomores, who were dressed in mud-splattered suits, were laughing and shouting, while the freshmen, who were dressed in clean white shirts and trousers, were panicking and trying to avoid the mud. The situation was chaotic, and it was only after a few minutes that the Sophomores were able to push their way inside and the freshmen were allowed to enter.

Science Club Plans Semester’s Lectures

A schedule of four visiting lecturers has been tentatively arranged for this semester by the Science Club. The first of the series will be given by Dr. Frank White, who will speak on the subject of the atom. Later in the semester, lectures on topics such as biology, chemistry, and physics will be given by other distinguished scientists.

FACULTY HOLDS PARTY IN BARD HALL TONITE

Mr. William Frazer, professor of German at Bard, is in charge of Bard Hall tonight, where the new members of the faculty will have the chance to become acquainted with the old. Entertainment has been planned and probably Dr. Erwin Schrödinger, who is about to leave for a European tour, will perform at the piano. Mr. Frazer, an excellent musician, will play a piece that he composed especially for the occasion.

College Council Hears Committees’ Reports

(Continued from page 1)

The President stated that the President is proud of the progress made by the College Council this semester. The Council has been very active and has accomplished much. The President also mentioned that the Council will continue to work hard to improve the College and that he looks forward to seeing the results of their efforts.

Bard Theatre Plans

One-Act Production

The season begins with the one-act play, "The Overruled," by Mr. J. B. Priestley. Based on a short story by Frank O’Connor, the play is about a family that is unable to decide what to do with their old, abandoned house. The play will be performed on Saturday, November 23, at 8 p.m. in the College Theatre. Admission is free, and the audience is encouraged to arrive early to secure a good seat.

CLASS OF ’42 ELECTS BURHAM AS CHAIRMAN

George Burnham was elected temporary chairman of the Freshman Class last week at the first meeting of the Class of ’42. Burnham will preside over the Freshman activities until a permanent set of officers is chosen later in the term.
