"But to protect the professional career of each member of the Faculty,
we cannot make a public announcement of appointments until the... member is ready to do so."

The Complainant Committee of the E.P.C. has received two office hours in which it will receive complaints and suggestions from students. A member of the committee will be in the Community Organization office (next to the Art Library) Monday to Friday, from 7:00 to 7:30 P.M.

The purpose of the committee, as defined by Harvey Edwards, its chairman, "is to act as a liaison between students and E.P.C., which in turn is the liaison between the college and the community. Complaints of an academic nature only will be dealt with."
