St. Stephen's Glee Club Given Hearty Welcome at Beacon

On Thursday, May 7, the Glee Club made its trip to Beacon to give a concert in the Parish Hall of St. Luke's Church. The Club has practised at rehearsals weekly, and a pleasing programme was compiled.

The trip to Beacon was made under the supervision of Mr. Mason, the business manager and the Rev. Cuthbert Fowler, the director of the club. The club was met at the station by the Rev. A. O. Trisitic, rector of St. Luke's, and several citizens of Beacon who conveyed the singers to the rectory, where they were assigned to their respective lodging places for that night.

The concert was given in the Parish House of St. Luke's Church, and considering the inclement weather a very encouraging and appreciative audience attended.

After the concert a dance was held, in which both parishioners and students took part. Punch and cakes were served. The dance continued until midnight.

The Glee Club received a very hearty welcome in Beacon, and this success is a spur to greater achievements.

The program of the concert was as follows:

The boys here are looking for you. Alumni.

New History Professor

Dr. Williams in Rev. Lange's Place Until End of Year.

In the place of Rev. Dr. Lange who is on a leave of absence, we have as the acting professor of the History Department, Dr. Clarence Williams. Dr. Williams took his Bachelor of Arts degree at the University of Pennsylvania, his Master of Arts at Princeton, and his Doctor of Philology at Yale.

His chief work has been lecturing and writing in connection with the Pilgrim Press making the interpretation of Biblical literature and history his special field. Last winter he was with the American War Library at Camps Upton and Merritt. At these camps he was able to become acquainted with the soldiers and he enjoyed very much his work in that line.

His home is in Philadelphia.

S. A. E. Initiation

On Friday night, April 28th, Harold Eugene Clark, '21, was initiated into New York Sigma Phi Chapter of Sigma Alpha Epsilon. An initiation "joust" was held in No. 12 McVicker Hall.

Clark comes to St. Stephen's after having spent his freshman year at St. Lawrence University and having been overseas with the U. S. Naval Air Forces.

Baseball

Tripple Alliance Wins Swat-Fast Score 27 to 25

The opening contest of the series of inter-mural baseball games was played on Zabriskie Field, Tuesday, April 29th. Played was called at 4:15 P. M. with the team composed of Juniors, Freshmen and Specials at bat; the Seniors and Sophomores had the field. Both pitchers had great difficulty in locating the plate which accounted for most of the runs. The winning team used all their free passes to good advantage, several times filling the bases to be driven in with a clean drive.

The lineup of the winners was: Libby, 3rd b; Hall, c; Langdon, 1st b; Updike, c f; Pfaffko, s; Atkin; Buchanan, 1 f; Chandle and Weitzel, r f; and Turney-High, 2nd b. Colwell umpire.

The second game of the inter-mural series was played on Zabriskie field, Saturday, May 3rd. For the first few innings the game was closely played but better hitting and fielding by the team composed of Juniors and Sophomores easily gave them the game. The latter part of the game was loosely played by both teams, the score at the end of the ninth inning resembled rather a cricket match than that of a baseball game. This was due, in large part, to fact that stars of both teams was absent from college.

3rd Game Won by 19-21.

On Thursday afternoon, May 8th, the Senior and Sophomore teams came back strong after two defeats and easily won the third contest of the inter-mural baseball games by the score of 27 to 25. The game was marked by the fine fielding and consistent hitting of the winners. The winning lineup: Kidd, 3rd b; Laumnsberg, 2nd b; Wood, p; Colwell, 1st b; Castleman, s; Koch, 1 f; Dickerson, c; Parker, r f; Gresham and Newton, c f. Rev. Mr. Kaltenbach umpired.

Plans for Big June 11th

Alumni are Asked to Attend Big Post-Bellum Commencement.

A big old-time Commencement is planned for the 11th of June. The campus once more will be adorned as it was five years ago. The degrees will be given from an altar erected, under a canopy of awning, on the old site between the tennis courts and northwest of Ludlow and Willink Hall.

It is hoped notable speakers will be present and it is the hope that these it is thought will be the Alumni. Perhaps no other time in the history of St. Stephen's is here for a greater reunion than now and it is this that the authorities have in view when they make plans for a real Commencement of a bigger and better College.

Chapel Notes.

This is the first opportunity the Messenger has had to mention the sermon of the Rev. Lawrence A. Cole, D. D., Ph. D., Headmaster of Trinity School, New York, and one of the trustees of St. Stephen's. Dr. Cole is a former warden of the college and has always had the college interests at heart. Before his sermon proper he spoke to the students as one of the institutions' trustees concerning the college's future. Dr. Cole said that the financial part of the institution has never been in a healthier condition, that the college is entirely free from debt, save the ordinary small debts to tradesmen. Considering the times we think this is very remarkable and are sure that this good news is welcome to alumni, students, and all other interested in St. Stephen's.

Probst-Tuthill Engagement

The Rev. Jacob Probst, rector of Trinity Episcopal Church, Brooklyn, and Mrs. Probst announce the engagement of Miss Frances Probst, to James A. Brown Tuthill, son of Dr. and Mrs. Frederic P. Tuthill, also a student at Hunter College. Mr. Tuthill was a student at Yale when he enlisted in the 2nd Cauvalry U. S. A., and has just returned from Goblenes. He, for two years, was a former student here.

Dr. Davidson, our acting President, has during the past year submitted matters in which students were implicated to the Student Council, the governing body of the Undergraduates. Almost without exception the difficulties have been resolved without a satisfaction of either the College Authorities and Students. In the past years the Students Council has always endeavored to co-operate with the Administration in every way, but were so utterly ignored that disruptions and misunderstandings have been the only logical solution. This new step of progress adopted by our new tentative head is to be commended.

That harmony and good will are created by such a policy is self-evident.

Many rules and unwritten laws are prevalent here at St. Stephen’s—some good, some worthless. Enforcement of these efficiently is almost beyond the sphere of possibility for the average college president, who has innumerable duties of far more importance on hand. The Student Council without any authorization and duty to the enforcement of some rules. For instance, there is an obviously sensible rule which prohibits students from taking coal out of the college cellar. The President cannot attempt to enforce this rule in the diverse place where the precise “gold brick” is stored. Neither does the average student understand his duty to notify the head of the Institution that his roommate is cutting away coal. Coal has gradually disappeared this past year. This practice can only be accomplished were the Student Council to act within its bounds. The rule of the cup and given over which there has been a many a controversy, the council should assume a legitimate share of the burden of enforcing. Of course, when and how the student’s obligations must be paid is entirely without the board’s jurisdiction.

Let me suggest to the men who will comprise the new student council that they at the outset of their office consult the President and volunteer to help enforce such rules as the Administration may determine.

THE GLEE CLUB

The recent concert given by the Glee Club has been the only concert this semester, and it is felt keenly that the Glee Club must have something to work for in order be an efficient organization. Prospects of concerts or a tour have a great effect on the men. Rev. Mr. Forwood, the conductor of the Club, has worked very hard and the men have reaped the benefit, but without concerts to view the labor seems lost.

Here’s an opportunity for the Alumni to render a good service to the college. A week’s tour is included in the Club’s plans for next year, to take place during the Easter vacation. The Alumni, by arranging for concerts, will not only encourage the men in this important college activity, but also be good for the College, since the Glee Club is a most valuable advertising medium for the institution.

We feel everyone appreciates greatly the efforts of the Club director and all those involved in keeping this organization a worth-while organization. It is a part of every one to take a firm interest in this side of the campus activities and to encourage its success.

The Trustees of Hobart College have voted to re-establish the athletic field, and subscribed $7,500 for the purpose, provided a similar amount would be raised by the students, alumni, and friends of the college.

An entirely new type of college has been opened—A Trade Union College. The aim of the founders is “to make directly accessible to workmen and workingwomen the study of subjects that will further the progress of organized labor.”

Psychological tests are now given to all candidates for managerial positions at Plymouth, and the results are given some weight in the selection process.

“Pennshepia’s Big Day,” the Pomona College’s Athletic Week, was temporarily erased from the calendar when the United States entered the war, but is likely to be resumed in 1920.

A striking innovation has been practiced at Amherst—the adoption of the “open” and “invited” system, in which attendance in classes is not compulsory but rests on the intellectual curiosity of the student.

CAMPUS NOTES

Dr. W. C. Rodgers spent April 2:3:9 and 23rd in the U. S. Army, visited the campus the last part of April, and is here for Commencement. Chaplain Swan was graduated from here with the class of ’25.

Donn E. Strong ’20 and Joshua C. Prager ’28, visited the campus on April 29th.

Rev. Mr. Stated ’06, of Catskill, and his son visited Mason ’20 on April 30th, 1919.

The Fraternity Tennis Courts have been marked and prepared for the spring season.

Ensign Bennett has recently returned to college for a visit after having been in the Navy for two years. He found the campus most attractive and delightful after his recent experience out in the busy world, and more of our alumni would plan to come back for Commencement if they could see the beauty of the campus and feel with us its new energy and life.

This new life, coming with spring, victory over the winter, and the hope of St. Stephen’s; yet holding the past and present charm which brings our men back—so they ever so far.

The Mail Box

CONCERNING EDITORIALS.

To the Editor of the Messenger:

May I be permitted to say a few words concerning editorials?

From the very word, we know that all applicable to magazine newspaper articles, “editorial” means the expression of the views of the Editor Staff. Beyond this an unsigned editorial should not dare to go. It should never presume to represent student opinion in a college publication unless the writer is absolutely certain that his article is expressive of the views of the majority.

Free speech I advocate and have the greatest respect for the opinions of others, although my own may be diametrically opposed, but I vigorously protest against the publication of one man’s views as student or public opinion. An editorial which purports to represent the student opinion of some two hundred men, would, to say the least, be difficult of comprehension on the other hand, I see no harm in a student presenting his personal views on any subject provided that having the courage of his convictions, he is not ashamed to publishly acknowledge the same by inscribing his name beneath the article.

Editors seem to lose sight of the fact that there is a great difference between news writing and the writing of editorials. The former must occasionally be paddled and rethought, but the first principle of the latter should be truth. This is essential and it is mainly on this account that I desire publicly to register my objection to certain wild assertions and sweeping statements which were made in an editorial appearing in the last issue of the Messenger.

Let us have truth first.

ALEXANDER N. KEEDWELL.

Senior Tree
1919 Plants Memorial Beside Chapel
Sunday, May 3rd, the graduating class performed the time-honored custom of planting a memorial tree. Even since the large Chestnut that formerly stood its protecting branches over the southern side of the college chapel died, frequent requests have been passed as to the need of another tree in the same spot; but final action was left to the once famous class of 1919.

The members of the class, all wearing their Bachelor of Arts gowns and led by Loamsbury, ’19, carrying the golden mace brought the tree to the chapel. Here, they were joined by Father Macdonald and two acolytes. The planting was preceded by the most solemn ceremony. After the singing of a Requiem hymn, the First Psalm was read. Then Father Macdonald read an appropriate lesson taken from the Book of Genesis, after which he blessed the tree. During the singing of another hymn the tree was actually planted.

The new tree is a healthy young Tulip Tree. Needless to say it has been given the most careful attention and seems to be thriving.

The Tree.
I think that I shall never see
A poem lovely as a tree.
A tree whose hungry mouth is prest
Against the earth’s sweet flowing breast.

A tree that looks at God all day
And lifts her leafy arm to pray,
A tree that may in summer wear
A nest of robins in her hair.

Upon whose bosom snow has lain
Who intimately lives with rain.
Poems are made by fools like me
But only God can make a Tree.
—By Joyce Kilmer

The new service flag, which bears 165 stars including five gold stars, will be ready to hang on the campus this Commencement. The stars represent all the alumni and undergraduates who have been in the service of the Government during this recent war.

COMMENCEMENT JUNE 8th-11th
On To The Lyre Tree.
June is almost here. And with June comes Commencement, the time when the thoughts of every Alumnus turn to his happy undergraduate days, and to his beloved Alma Mater. In June, too, Alma Mater looks for the return of her sons, the renewal of old friendships and the revival of treasured memories.

For the past two years, due largely to war conditions, our Commencement have not been the old Commencements of former times. Many men found it impossible to get back, and the few who were present seemed not to be able to enjoy themselves thoroughly, owing to existing circumstances. June this year, however, presents the opportunity for you to reunite with your friends, both college and fraternal, to talk over days gone by and plan for the future. That the college authorities may be enabled to provide accommodations for everyone during Commencement Week, may we ask you to let us know when you will strike Annandale and hit the trail for the Lyre Tree? A hearty welcome will await you on the part of old time friends, and the present undergraduates and faculty of the college.

Yours in S. R. C.,
THE CLASS OF 1919.

IS THIS YOUR TRUNK?
About a thousand pieces of personal baggage go outry, each month, according to a recent state report to express official. Very probably, the trunks and suitcases of college students are among them, particularly at this season. Therefore, it is important that you start your trunk right, safeguarded with the proper kind of address labels and tags.

Most of the trouble is due to the fact that trunks, unlike the students, cannot speak for themselves, when the address label or tag comes off.

"Old martin" from previous trips are confusing to the expressmen and usually send the baggage some place where it oughtn’t to go.

If you do not want your vacation ruined, or a romance shattered by a lost trunk, follow these general rules:

Don’t entrust your finery to a single tag. The expressmen will accept your baggage unless you have a label on it, in addition to a strong tag.

Be sure it is a strong tag. One with a reinforced eyelet, and attached with a heavy cord or wire, is best.

Use good ink, never lead pencil, in writing the address, and give all of these details: Name of shipper; where from; name of consignee; local address, street and number; destination; city value—in full; and date of your shipment.

As an additional safeguard, place your name and permanent address on the inside of your trunk; on the lid, for instance.

Use these same common sense rules when you ship a suitase, a handbag or other baggage, and you will see your best clothes again. From Education Service Bureau, American Railway Express, New York.

Howard E. Koch ’22 was taken ill on April 14th, with a mild attack of typhoid fever. He spent almost three weeks at the City Hospital in Kingston—where he was speedily cured. At present he is recuperating at his home, and expects to return to the campus soon in order to finish his academic year.

Alumni, Can you be with us June 11th?
