- ✦ BA/MAT 4+1 offers a path for Bard undergraduates to earn their BA and MAT degrees in 5 years. The option is offered at the Annandale campus and is available to all qualified Bard undergraduates.
- ✦ BA/MAT 4+1 students are admitted to the MAT at moderation, contingent on discipline area prerequisites and a GPA of 3.0 or higher.
- ✦ Non-majors and post-moderation students are also eligible, contingent on completion of 16 credits in the discipline area and completion of cross-listed MAT courses prior to entering year 5.
- ✦ BA/MAT 4+1 students complete three (3) required cross-listed graduate level courses during their time as an undergraduate (two in education and one in the subject area).
- ✦ BA/MAT 4+1 students complete all undergraduate requirements, and before year five, have completed at least 16 credits in their MAT degree subject area.
- ✦ After graduating with their BA, BA/MAT 4+1 students who have met all requirements will seamlessly enter the MAT Program in year 5 (graduate application, registration, and enrollment fees are waived).
- ✦ 4+1 students receive significant tuition remission in year 5.
